

THE DOPE ABOUT US:

Kingdom Veneers, a company full of dedicated wood junkies, came to be as part of the FSD Group. We are India's largest wood dealers, with interests in wood, wood-based raw materials and decorative panels. We worship Mother Nature, which is why we ensure that our score is purchased from approved vendors as well as observe ethical environmental practices at our manufacturing units.

THE KINGDOM VENEER SPECIAL COLLECTION RANGE

GREEN HAZE

By discovering nature, you discover yourselves. And that same happens when you come across our Green Haze collection. In every specie of its Natural Gist, you will receive far more than you seek. Seize it and let the Nature reside where you reside!

BLAZE

Smoke never rises without a fire and our smoked collection has been evolved with sheer desire. Shakespeare has said "Love is a smoke made with the fume of sighs"...And we upkeep it by hosting Blaze Collection that soothes your eyes !!!

ARTSY

An Artsy collection of ours is an evolution of thoughts; which are usually termed as unusual. A True Artist is not one who is inspired, but one who inspires others. And we portray the same though our creative Handcrafted work; where we don't consider the tricky artwork as a labour cost.. we assess it as the value of Vision. So to shape your thoughts, lure in this collection.

HEAVY METAL

There is no exquisite beauty..without some strangeness in the proportion. And we carry that strangeness in our Heavy Metal collection. Our Metallic series is an absolute glamour that we sell... As the World knows, Every designer needs a story.. and ours is all about glamour !!!

TRANCE

It will take you higher than you have ever been, where you will experience state like fading buzzes, vaporizing thoughts, dripping in senses and eventually witnessing a wow moment. The exact process of weathering or dyeing the veneer through our exclusive arrangements. Let us take you to the state of Trance!

ROLLED GOLD

As we know the real is rare.. and rare are not mean to keep in spare. Rolled Gold collection will be portrayed only on appointments and first come first serve basis. So put yourself on priority and witness the Rare collection of veneers. Not to reiterate but Second chances are rare.. so use your first wisely and quickly too!

TAILOR MADE

Be your own boss and order us your wants.. we make you the decision maker right from the selection of veneer, formation of sheet to output of deeds. the reason behind introducing this Tailor-made collection is to give you a platform to scale your vision and chance to surpass the crowd with your Own unique creation. What are you waiting for then?.. tell everyone what you are capable of if given the opportunity!

TRAIL BLAZER

When you innovate and create new great things, you become a Trailblazer. Its little challenging, as you know, heard melodies are sweet, but those unheard are sweeter.. we belong to that unheard category. And you will second our attitude once you witness our Unique patterned Trailblazer collection, where we play with wood veneer characters by giving them shape of our vision. So, get drenched into it and acclaim our thoughts revelation of wood veneer.

ONLY THE BEST STASH FOR INDIA

Since we're hardcore wood junkies, we know our stash to the t. It is this skill that enables us to score the best stash around, usually seen in markets in Europe and the US. Not only does this set us apart from other dealers but also introduces our customers in India to true A-grade veneer. So if you're looking for some good stash, you know whose door to knock on.
